**Request for Corrected Notice of Allowability**

Applicants request a corrected Notice of Allowability listing the correct claim numbers. The Notice of Allowability should list the allowed claims: 1-11, 13-15, 17, 22-23, 26-32, 34, and 43.

These correct claim numbers are listed in the Detailed Action section of the Notice of Allowability, dated December 1, 2009. However, they are listed incorrectly on the Notice form itself.
